Friday, 25 July 2025

Dear Members,

Notice is hereby given that the 2025 Annual General Meeting of the Coburg Cricket Club is to be held on Monday 21st July at The Moonee Ponds Club, 622 Mt Alexander Rd, Moonee Ponds commencing at 7:00pm.

Business to be attended to:

- Adoption of Minutes from 2024 AGM
- Adoption of Annual and Financial Report for 2024/25
- Election of office bearers for 2025/26
- General Business

AGM to be followed by drinks and light refreshments.

By order of the Committee

Andrew Hart
Hon. Secretary
Coburg Cricket Club

President's Report

Hello everyone,

Firstly, I would like to congratulate and thank Darren Scott for his term as Club President. Darren is a VSDCA and Coburg CC icon and we've been very fortunate to have him lead this club for the past six seasons – thank you so much “Scotty”, you are a true Coburg club person.

My first season as club President has been a difficult one, full of many challenges, but just as in life, we have to face and overcome them no matter how daunting they may be.

One of our most serious challenges was that we lost a number of senior players who decided to play elsewhere, some to hopefully challenge themselves at a higher level.

Senior Men

The club administration, in conjunction with senior Coach Pranish Singh, sought to fill the void left by the player departures which resulted in the club eventually being able to fill 5 XI's each week which was an astounding effort.

Part of this effort was the recruitment of four young Englishmen to play in our 1st XI. This is a common practice amongst senior cricket at this level and one which we felt was imperative to strengthen our 1st XI.

Noah Thain, Sidney Thomson, Cameron Harding & Osian Catlin joined us from the “*Old Dart*” and from their first day at the club they proved to be great people and fantastic attributes to our club both on and off the field.

Congratulations to Noah who had an outstanding season scoring 555 runs @ 50.45 including 179 & 136 and was involved in a record first wicket partnership of 230 in a one-day match with Cam Harding who also scored 120. Their prowess on the field was only surpassed by their contribution in the club social scene.

Success

Congratulations must be extended to 4th XI Captain, Zac Lassey who, with mentor Brian Lassey, led the 4th XI to a gallant premiership over local rival Strathmore and they did it the hard way. With Merri-bek Council refusing to let the 4ths play their Grand Final at City Oval they had to win it at the opposition's ground and did so with a very young side. A wonderful effort which was complimented by Zac being presented with the Daryl Thiele medal for the best player in the VSDCA 4th XI, at the Sub-District presentation night held at the MCG. A great achievement by Zac after being runner-up in the same award last season.

The 5th XI, under the leadership of Richard Giordano, although populated mainly with kids, only just missed out on finals. A wonderful effort, many thanks Richard for your commitment to the team and to ensure the kids were provided with their opportunities.

Senior Ladies

Under the guidance of Tracey (Hammo) Gleeson we started the season with two teams however, whilst the 1st XI made the finals with some stirring performances, numbers began to drop off after Christmas to the extent that the 2nds had to forfeit some games. The club must double its efforts to reinvigorate the numbers involved.

Coaches & Captains

I would like to extend my thanks to both Pranish Singh (Men's) and Tracey Gleeson (Women's) for their efforts throughout what has been a difficult season.

I also extend my thanks to all the team captains for their efforts. Sometimes it can be a thankless job but the time and effort you have contributed is much appreciated.

Veterans

The Vets did on-field battle again led by their leader, "The Duke", Glenn Earl. Unfortunately, they were unable to win the ultimate prize, but they certainly had a lot of fun during the season. Many thanks to Glenn for his leadership however there is also a lot of off field work required to allow such a venture as the Vets function and I'd like to acknowledge all the admin work done for the Vets by Michael "*Slug*" Finnigan. Michael took on the responsibility of liaising with the club administration for anything the Vets required administratively off field. Your efforts are very much appreciated Michael.

Club Juniors

Another great season of junior cricket at Coburg. Thank you to all the coaches prepared to give their time to the kids. We have a great group of juniors coming through, many of whom have already accepted opportunities to experience senior turf cricket, especially those who were part of our successful 4th XI Premiership team. This will continue for those who wish to play seniors with the club always willing to provide our juniors with opportunities to progress and flourish with their cricket.

Sponsors

I would like to extend my thanks to our wonderful sponsors, Claytons Kitchens, Moonee Ponds Club, Cornerstone Pizzeria, Jaycee Logistics and Planet Wealth for their continual support of our club.

Special thanks

I wish to thank our resident club Chef, Leigh Shellie for all the work he puts into his Thursday night meals. The quality and variety of his meals is obvious by the high numbers who regularly attend post training on selection nights throughout the season.

I would also like to extend my sincere thanks to my administration for all the work done to ensure a successful season. Whilst each season requires extensive administrative work this season had its own unique circumstances requiring a lot more minute attention. Members outside the club administration will have no idea of the hours committed by your executive so I especially wish to thank my executive, Andrew Hart, Peter Ellis, Shayne Rule & Liz Rowland for all the tireless hours they committed to the cause. They are true Coburg people.

I would also like to thank our local member, Peter Kahill for his ongoing support.

I would also like to thank the Merri-Bek open space staff for their efforts throughout the season.

I would like to thank my partner, Janet for all her support. The long chats we have and advice provided by her have been a great assistance to me and I thank her very much.

As previously announced, the club has appointed Cameron D'Cruz as club coach for season 2025-26. Cameron returns to the club after a season off and he brings a great deal of enthusiasm to the position and his preparation for next season.

Thank you to everyone who contributed to the club this season, your efforts are really appreciated. The more people who contribute the lighter the load is for everyone whether it be involvement in the senior or junior section of the club, you can make a positive difference.

Kind regards,

William G. Tucknott

President.

Secretary's Report

I look back on Season 2024/25 with mixed emotions. There were some big positives that I will touch on, but the club faced some massive challenges, for our Men in particular. Losing 29 players from our male playing group was a massive set back. Replacing so many players, many of them 1st & 2nd XI players was a daunting task. Credit must go to our Men's Coach Pranish Singh and his assistants Hamza Ali & Hammad Siddiqui on replacing those players and ensuring the club could field 5 competitive teams each weekend. These three gentlemen will not be returning in 2025/26. I thank them all for their efforts and wish them all the best for the future.

The continuing battle to access to City Oval for games at the start and end of each season is nothing new, but it again reared its head at the conclusion of the season. Whilst it is almost a foregone conclusion that we do not play the first 2 weeks of the season at home, there is still hope that we can play finals there in March. It was very disappointing to have to fight with council to get access for our 4th XI Semi-Final after we finished top of the ladder, and it was no surprise that we were not given permission to host the Grand Final.

It was apparent that council were looking after the ground for the start of the football season, watering the ground on Saturday mornings and replacing an old pitch with a sod next to the Semi Final pitch the week of the Semi Final. It is frustrating that this keeps happening. There is light at the end of the tunnel though. Council have announced that they will be resurfacing the entire playing surface with a more suitable grass this October. It means that our season will be interrupted but the expectation is that the ground will be much more resilient. It will bounce back quicker after football and will hold up much better in the heat of summer. Fingers crossed.

Our women are also battling with the changing landscape of women's community cricket. More and more of our younger players are being approached by Premier clubs every year and the WCCC has shrunk over those past few years with clubs choosing to join local competitions, rather than playing in the Melbourne wide competition. Sadly, CV have announced that 2025/26 will be the last season they run the WCCC with clubs being told they will need to look for a new home next season.

It is not all bad news, however. Our 4th XI won our first Men's flag in over 10 years with our captain Zac Lassey winning the comp medal for the best player of the season.

One positive with having so many players leave, is that there are more opportunities for players. This year we had a record number of 1st XI debutants including Harry Marr who became the first Coburg player to begin in our blaster program and progress to our 1st XI. Great work Harry. We also had a record number of our Juniors play seniors this year across all grades with 11 boys representing our seniors.

The huge turnover also opened up the doors to overseas players and we had 4 join us for the summer. Sid, Osh, Cam, and Noah were part of the furniture this summer, contributing to the club both on and off the field. Cam and Noah combined for the highest club 1st XI partnership, missing the club record by a hand full of runs vs Endeavour Hills. Both boys made centuries as we made our highest ever one day score. 3 weeks later, the boys led by Noah who made another massive ton, broke our record for the highest two-day score by Coburg.

Our lady's 1st XI had a successful year making the Semi-Final but did not progress unfortunately. Sadly, we had to pull our 2nd XI with injuries and unavailable players forcing to many forfeits to continue.

With 11 Junior players playing seniors, it should not come as a shock that our under 16 boys were competitive. They were minor champions and also reached a Semi, however they fell just short in an epic run chase.

While none of the other Junior teams dominated their grades, there were plenty of performances that give hope for the future. Our junior program is the most important and exciting aspect of our Club. It continues to grow from strength to strength with countless wonderful passionate players and parents involved. Our coaches do a remarkable job with Wednesday night being a buzz every week and players enjoying their cricket. Bill Tucknott our Junior Coordinator does a mountain of work and should be very proud of what our club is building.

The Committee continue to do great job running our club every year and I am extremely proud of the work they put in. The dedication of volunteers who make our club a better place for all cannot be underestimated. Thank you. Our social media team, as an extension of our committee are some of the best in the business. Kyra and Lasharne Wallace put in a huge amount of work promoting all areas of our club, making my job so much easier and I cannot thank them enough.

One of the highlights of my week is the hour or two I spend with my fellow exec members on a Saturday Morning setting up our grounds. A job that can quite frankly be a chore, is a tonne of fun with the right people. Pete, Shayne and Tucky do so much for our club and could be excused for being grumpy about marking wickets. They do not complain, they do not whinge, they just turn up and hang shit on each other and have a bunch of fun in the process. This is a great example of why our club is so wonderful in my opinion – we have wonderful people who enjoy each other's company working together. These three along with our Ladies VP Liz Rowland do a mountain of work and are a major factor in why I want to continue as Secretary.

I will finish off by thanking my family. My wife and my two sons tolerate a lot and give me the support I need, so thank you.

Looking ahead to next year, we are excited to welcome Cam D'Cruz as our Men's Coach and have Tracey Gleeson continue as our Women's Coach.

Looking forward to a great season at Coburg.

Andrew Hart

VALE

George Peter Flack

The Coburg Cricket Club mourns the passing of a great club and cricket person in George Peter Flack.

Universally and affectionately known as “Flacky”, Peter began his involvement with Coburg in 1968-69 after moving over from the Essendon CC with him playing his last game for the club in season 1992-93. Over those many seasons Peter scored 4901 runs @ 20.57 scoring two centuries with a highest score of 118. Bowling-wise Peter bowled 2943 overs returning 479 wickets @ 14.15 with BBF 7/37. But the list of his achievements are as amazing as lengthy. The following is a brief overview:

- Bowling average winner of various grades 9 times.
- Batting average winner of various grades 3 times.
- MCL 4th X1 player of the year 1988/89
- VSDCA 4th X1 player of the 1991/92
- Captained 3rd X1 (2 seasons), 4th X1 (6 seasons)

However, Peter’s other love was his involvement in the world of junior development. In season 1985 Peter took the reins of our club u/14 “Hatch” program as coach until season 1993, during which time he won three premierships.

Peter also resurrected our club u/16 program as coach from 1984/85 to 1990/91 during which time he won two premierships whilst affording many talented juniors the opportunity to experience senior turf cricket. Whilst the cricket was one element of his junior interest, Peter’s involvement extended to the development of the kids as young, growing adults.

When it came to his junior players, some viewed Peter as a disciplinarian but he was always there for them as their mentor and there are a number of his former junior players today who have grown into fine adults solely due to his efforts and guidance.

As if he wasn’t involved in the club enough, Peter was also involved in the club administration, on general committee from 1970/71 – 1977/78 then, as secretary 1978/79. He was club Vice President for 13 years, (1979/80 – 1982/83 then 1984/84 to 1992/93).

In recognition of his contribution to the Coburg Cricket Club Peter was presented with Club Life Membership in 1979 and later inducted into the club Hall of Fame 2006. Inductee #9. At the “youthful” age of 74, Peter represented Australia in the over 70’s cricket carnival.

For many years Peter was involved with the VSDCA administration whilst also managing the Hatch / J.G. Craig competition. In recognition of his service to VSDCA cricket, in 2023/24, Peter was deservedly rewarded by being inducted into the VSDCA Hall of Fame.

It’s no secret that for 15 years Peter was battling a health issue requiring him to undergo dialysis three days per week, but he didn’t let this interfere with his activities, even arranging for his dialysis when overseas for cricket displaying a level of determination and resilience rarely see in the younger generation making his achievements even more impressive.

Recognised as a fierce competitor and a Coburg CC icon, “Flacky” will never be forgotten by those whose lives he touched.

Gerald Hayes

We said goodbye to another favourite son this year in Gerald “Sticks” Hayes who suddenly passed away in February. Also known as Mullet and Haysey, Gerald joined Coburg in 1999, recruited by his friend Wayne Rowland. An imposing figure on the cricket field, Gerald opened the bowling in our 4th XI for much of the next decade taking 99 wickets @13.75 in 70 matches and playing in our 4th XI premiership in 2007.

A gentle giant, Gerald was one of the best clubmen you could ask for. Always the first to volunteer to help with any task, especially if brute strength was required! Gerald had a sharp wit and dry sense of humour, but he took as much joy in seeing a fellow club mate do well as he did in his own success, traits that endeared him all that played and trained alongside him.

After moving home to Ballarat, Gerald stayed involved with the club as a sponsor and keen past player.

A very popular player at Coburg, Gerald will be sadly missed.

Our Thanks and Appreciation

We wish to thank and acknowledge these people who give their time and energy willingly and with such good grace to the club.

The Executive and General Committees. The Club could not operate without you.

All of our Club Sponsors.

The team of volunteers that organised and ran our Past Players Day & Ladies High Tea. Both were wonderful events enjoyed by all that attended.

All the scorers, team managers, parents and supporters who assist with match day duties.

Leigh Shellie for organising Thursday Night Dinners. The dinners were always fantastic and plentiful.

Peter & Janette Ellis for keeping the bar stocked and for looking after the Men's teams at City Oval on a Saturday. And their help with Thursday Night Dinners.

Our Captain's both Men and Women who take on the responsibility of guiding our club on field.

The Senior Coaches and their assistants who prepare our players each week.

Bruce Wallace for keeping us all up to date with our current player statistics and his assistance in compiling this report. Your work is greatly appreciated.

All our junior coaches and their parent helpers. Your efforts to contribute to this important part of our club is invaluable.

Sam Syam for Co-Ordinating our Woolworths Blasters Program for Under 8's.

Everyone who helped out with putting the covers down the night before our games and those that got out of bed early to remove them and those that rolled and marked the wickets before games.

The Junior Players and their parents, Senior Players, Committee Members, and their families that assisted with Bunnings BBQ

Merri-Bek Council for their support.

Robbie Geyer for preparing our City Oval wickets.

The Marvellous Social Media Dream Team of Kyra and Lasharne Wallace for their creative brilliance, hard work, and commitment to promoting our club far and wide.

Merri-Bek City Council

We wish to thank the Merri-Bek City Council for their ongoing support of the club. We look forward to the continued improvement of the facilities for our members and the community.

Organisations

We would like to thank these organisations for providing us with the competitions we compete in.

Dennis Fowler Award

Dennis Fowler was an outstanding member of the Coburg Cricket Club and was one of its greatest servants. There is no doubt that its existence today is in large part due to his outstanding efforts. He was appointed to the General Committee in 1970 and served the club in that capacity until 1983 when he was elected to the position of President which he held for the next 17 years. During his reign Dennis oversaw the club participate in 21 Grand Finals for 14 Premierships. This award is given each year to an outstanding contributor to the club and is nominated by and voted on by committee members.

This season this award was won again by Peter Karvelis, a worthy winner last season and equally so again this season Peter is a ball of energy and is always doing something for the benefit of the club be it in the area of men's, women's, or Craig Shield. Well done PK.

The Arthur Marcy Award

Arthur Marcy is a Life Member of CCC and was inducted into CCC inaugural Hall of Fame in January 2006. Arthur played 296 club games and represented the First XI in 190 of these. Arthur also made an enormous contribution to CCC post his playing days including 10 years as Vice President and 5 years served as club President. The Arthur Marcy Medal is presented to the best performing player across the first four men's senior teams, as voted by the players, at the conclusion of each round.

4th XI Premiership Captain Zac Lassey took out the 2024/25 Arthur Marcy Award. Also, the recipient of the VSDCA 4th XI Player of the Year award, Zac excelled with both bat and ball scoring 166 in one game and taking 5/0 in another.

William G. Tucknott Medal

William G. Tucknott is one of six Honoured Legends of The Coburg Cricket Club. The club's games record holder and leading wicket taker, William (Bill) was instrumental in forming our Women's program in 1992 as well as our Junior Program. The William G. Tucknott Medal is awarded to the Most Valuable Women's player across all teams as voted by the Umpires and opposition Captain's at the conclusion of each round.

Eva Natsis took out this season's award after dominating with the bat all season. Eva who also won the WCCC Shield 2 Batting Award and making the team of the year had a stellar season in both Women's teams making a combined 468 runs at an average of 66.86.

Men's Senior Club Champion

All-rounder Cam Harding won this year's Men's Club Champion, accumulating the most points in 1st XI games, narrowly defeating fellow Englishman, Noah Thain. Cam was consistent with both bat and ball as well as showing a great set of hands.

Women's Senior Club Champion

By the difference of 2 runs, Lasharne Wallace was the winner of our Women's Club Champion over Club Captain, Georgia Peel. Consistent with bat, ball, and her fielding, Lasharne was a worthy winner.

Men's Junior Club Champion

Not surprisingly, Noah Thain at 19 years old and already a 1st Class County Cricketer for Essex, was the winner of the Men's Junior Club Champion for the best performed Under 21 male player.

Women's Junior Club Champion

Lasharne Wallace completed the double, also winning our Women's Junior Club Champion award for the third time.

Social Report

Our club functions were great successes this season, which saw excellent attendances to both the Trivia Night and the Ladies Day High-Tea which filled the function room. It was especially pleasing to see so many ladies who are parents of our club juniors and also from outside the club enjoying our excellent facilities and the event. A wonderful result for the approximately 80 attendees and a credit to Janette Ellis, Flo Wallace, and the other ladies of the organising committee.

Similarly, the Trivia Night, although not attended to the extent of our other major functions, saw a wonderful presence of club juniors and parents as part of the continual process of integrating our growing junior program into the senior club. A thoroughly enjoyable event.

The past players day was an extraordinary success with the largest attendance that I can remember, complemented with an on-field win over our local rival, Brunswick. Players not seen for many years mingled and told tall tales and truths of their past cricket escapades ensuring a fantastic day I'm sure the large crowd of attendees enjoyed. Feedback from attendees has been universally complimentary with thanks to Bruce Wallace, Shayne Rule, and Glen Edwards for all the hard work they put in to amassing such an attendance. It was a credit to their efforts. It's important to continue to reunite as many past players with the club as possible to share memories and each-others company. The day was also a great opportunity for Scotty to ensure his Reverse Draw was a complete sell out. A magnificent effort thanks Darren.

The Club once again hosted a Victorian Country Week game, this season the match was played by Sale Maffra Vs Bairnsdale. An entertaining days cricket was played, and both clubs showed their gratitude to the host club, sticking around for post-match drinks for a number of hours. Thank you to Peter & Janette Ellis and Bill Tucknott for volunteering their time.

The Vote Count for our Senior Medals was well attended as the last official senior function at City Oval for the season. A massive turnout for our Junior Presentation Day the following weekend rounded out the season's events at City Oval.

Finally, our Senior Presentation night held at The Moonee Ponds Club officially ending season 2024/25.

Thank you to everyone that volunteered time to run our social functions and thanks to everyone that attended the functions and supported our club.

Men's Cricket Report

2024/25 was full of challenges and triumphs in equal measure. Our First XI produced 2 different seasons in one and went from no wins at Christmas to becoming one of the most competitive outfits in our group after the break. This culminated in an exciting tie against eventual premiers, Preston, in the penultimate round of the season. Our Second XI had significant early successes but unfortunately fell away when a finals spot seemed to be a realistic outcome. Our Third XI remained in most games throughout the season but had to cope with many changes to the side on a week-by-week basis which made life difficult. Undoubtedly, the highlight of our season was our Fourth XI premiership. Magnificently led by Zac Lassey and supported by his band of merry men, our boys were able to triumph against the odds after being forced to play an away Grand Final derby against local foe, Strathmore.

The First XI were well marshalled by Hamza Ali who led from the front with both bat and ball throughout. We struggled to put runs on the board in our first few games but became a much harder team to beat when our English imports began to string some scores together. The highlight from an individual perspective was a club record opening partnership of 230 against Endeavour Hills with Noah Thain registering a magnificent 136 and Cam Harding making an equally impressive 120. The team performance of the season was a thumping Sydney Road Trophy triumph over the arch enemy, Brunswick, which came a week after Noah Thain had put Box Hill to the sword with a match winning 179 in stifling conditions. Noah with 555 runs, Cam with 444 runs and Sidney Thompson with 311 runs were the mainstays of our batting. Hamza with 26 wickets, led our bowling attack and was well supported by Cam, Blake Karvelis, and Noah who all took over 15 wickets. First XI debuts for Bailey Kennedy, Yashwin Nanjappa, Harry Marr, Kyle Mawer, and the Farooq brothers, Umar and Umair all bode well for the future.

Our Second XI was well captained by Hammad Siddiqui who produced another fine season of 20 plus wickets. He was well supported in the field by the ever-enthusiastic Abdul Bari Khan Khalil with 15 wickets and Ryan Setia with 12 wickets. Our batting failed to fire on too many occasions, but Abdul also contributed with the bat by scoring 290 runs to complete a noteworthy all-round season. Logan Valentine, Umair Farooq and Abhayvir Singh Gill also produced totals of over 240 runs.

Ashish Bhasin again stepped up to take the reins of our Third XI and did a wonderful job of marshalling the troops in an ever-changing line up. He led from the front with the ball with 26 wickets and was well supported by youngsters, Max Hart, and Ethan Patten-Cox. Club stalwart Nathan Hart again had a 300 plus runs season and received good back up from Dylan Herathge and Bailey Kennedy.

As previously mentioned, our Fourth XI completed a magnificent season by tasting premiership glory. Captain Zac Lassey's performances were recognised by the competition when he managed to win the Daryl Thiele medal for the best player in the VSDCA Fourth XI competition, but he was supported with team performances across the year. Special

mentions should be made of Patrick Lockwood and Prabhnoor Singh Boparai who both had 300+ run seasons next to Zac's 500+ runs. In the field, Hayagreev Bashyam, Christian La Porta, and Brian Lassey all chipped in with 15+ wickets. Another youngster, Luke Cameron, completed a fine season with a vital 35 in the Grand Final, which with Brian Lassey's 68no allowed us to post a defendable score of 169. After that, Hayagreev Bashyam weaved his magic to take 5/34 off 25.5 overs and the rest they say is history.

Finally, the club would like to thank our coach of the last two seasons, Pranish Singh, for his commitment and expertise across these two seasons. Pranish has overseen the development of many younger players across these 2 seasons, and this will hold the club in good stead as we move forward. Unfortunately, Hamza Ali has also indicated that he will be moving on to another club and we wish him all the best as he continues his journey across clubland. Our captains do a wonderful job across all XIs and I should also make mention of Richard Giordano who took the reins of our Sunday Fifth XI and also did a tremendous job. Thanks to all who took on the sometimes-thankless task of leadership. Your efforts do not go unnoticed.

Onwards and upwards,

Shayne Rule

Women's Cricket Report

This season was a little difficult with injuries and absentees, making it difficult to consistently put two teams on the park every week. The women's First XI had a good season placing third on the ladder and making the semi-finals again, unfortunately we didn't quite make enough runs to secure a win in the final. The first half of the season was T20 format and we didn't win many of those but we came into our own with the one day format and played some good cricket. A special mention to Mel Durdin on her first season on turf with 16 wickets which was a great effort.

The Second XI this year struggled as we had players going up and down to fill in for injuries and absentees in the First XI, which caused them to have an inconsistent season. In saying that, there was some good batting performances this season in the Second XI. Eva Natsis made her maiden unbeaten century and backed it up with a couple of 50s. Young Ella Brown got called up along with Eva to play in the First XI semi-final as their improvement was noticeable. Ella Brown won the encouragement award this season with her consistent bowling and her improvement with the bat. I would like to thank Muzza for her captaincy in the Second XI with all the challenges we had this season. I would like to congratulate all the trophy winners for this season, they had great years.

I would also like to thank Bruce Wallace and Peter Karvelis for all their help this season as well as all the parents and players this year.

Let's bring on the 2025/26 season. Bigger and better. Go Burgers!

Cheers,

Hammo

Junior Coordinator's Report

Season 2024-25 was a typical junior cricket season, punctuated with elements of both success and disappointments.

As part of our club's commitment to foundation cricket we engaged in a new and experimental program called "Pop Up Blasters" which is a four week after school program initiated by our Regional Manager and implemented at the Merri-bek Primary School. It's conducted by CV staff with club assistance and as a pre-cursor to Junior Blasters it was a success attendance-wise with over 40 participants. Pleasingly, a number of these "Pop-Up" juniors migrated to our Junior Blasters program boosting our Blaster numbers to a healthy 35. With so many Blasters the responsibility of conducting our program was in the hands of our new Blaster maestro, 18-year-old, Sam Syan who did a wonderful job managing the large group of Blasters with the great assistance of a wonderful group of parents.

At the conclusion of our program, a select group of our Blasters were invited by Cricket Victoria to participate in a promotional experience of Blasters at the Big Bash game of the Renegades vs Melbourne Stars conducted at Marvel Stadium. I was fortunate enough to attend the match with our Blasters as their chaperone and I, with their parents, thoroughly enjoyed the experience. A great night was had by all.

Plainly, the spectacle of our u/10's playing their matches just north of the Blasters at City Oval was irresistible as about 10 children migrated to the under 10s for the second half of the season and from their engagement, they really enjoyed themselves which I feel bodes well number wise for next season.

Unfortunately, this season we were unable to field any female only junior teams which is something we must look to address next season but despite the loss of these teams we still managed to field 8 junior mixed teams which is quite commendable.

Coaches:

As with any junior sporting program to be successful you need coaches and this season, we were very fortunate to have a group of coaches who were really invested in the development of their charges, not just as cricketers but young growing individuals and as such I wish to thank the following persons:

U/16's Saturday	Russell Ponting	U/14's Friday	Hamish Morrison
U/14's Saturday	James Ryan	U/12's Friday (1)	Erin Farley
U/12's Friday (2)	Matt O'Neill	U/12's Saturday	Chris Richards
U/10's Maroon	Tom Wright	U/10's Gold	Chris Richards
Coordinator U/16's & U/14's. Chris Humphries			

Rep Cricket:

Whilst on-field team success is always desired by players and coach alike, and should be lauded, achievements such as representative selection should also be celebrated therefore congratulations are extended to the following Coburg players who were selected for representative cricket in various age groups. To have so many selected for representative cricket is fantastic.

Lucas Bartoli, Prabhnoor Singh Boparai, Ethan Collins, Oscar Humphries, Christian La Porta, Harry Marr, Patrick Rennie, Ned Ryan, Vivienne Ryan, Arman Virk.

So often success is only measured by winning which, whilst important, is not always the best measure of success. The obvious improvement of our many players is, I would suggest, a great source of pride and satisfaction for both coaches and parents alike.

Our desire to provide a pathway for our juniors to ascend firstly to NWMCA representative cricket, our U/15 Craig Shield representative squad then on to senior turf cricket at Coburg is a well-known given and once again enthusiastically embraced by a number of our players this season. That opportunity has been and will be a constant for any of our juniors who are not only committed to their cricket but also, importantly, committed to this club.

Results:

Season's results were varied with the U/16's travelling through the season with a well-balanced team playing some exciting cricket and not looking threatened. Feedback I received was that they grew and improved as the season progressed to the extent that by finals time they were on top undefeated. But as we know, few things are guaranteed in life and if you drop your guard, it can be costly. In the semi- final against the fourth team we were required to chase a mammoth 315, but, despite the magnificent efforts of Christian LaPorta 82 and Prabhnoor Singh Boparai 52 we fell agonisingly short by 5 runs. As coach Ponting said, *"it was a brilliant chase, but we'd let ourselves down with some poor bowling"*.

Unfortunately, after having good seasons, both U/14's teams missed finals action however the positives were that Hamish Morrison's team experienced turf cricket by playing home games at Hallam Reserve with James Ryan's team putting in some stellar albeit inconsistent performances.

Our three U/12's teams all played finals with the unluckiest being Matt O'Neill's Friday night team which after scoring 89 (Emily Wardrop 19) tied with top team Craigieburn 89 (Louis Carter 2/16). A stellar effort by the kids with the game decided on the last ball with a controversial run out situation.

Erin's Friday night team played Brunswick (127) which proved too much for us with Ethan Schroeders being the stand-out bat with 49* not out. A disappointing result but overall, a wonderful team improvement on the previous season.

This season we had a number of U/12 players preferring to play Saturday morning, so Chris Richards was kind enough to offer to extend his coaching duties from U/10's to include this team and whilst the team began with some testing performances they gradually improved throughout the season scoring 122 (Kobi Richards 25*, Joseph Wright 20*) in their semi vs top team, PEGS 192 (Joseph Wright 2/26). Whilst disappointed for the kids that they lost their semi, coach Chris Richards was thrilled with their overall improvement.

U/10's don't play finals but it was great to see the skill improvement of the players due to the dedicated coaching of Tom Wright and Chris Richards and with the late influx of Blaster players there was a real air of improvement and positivity and seasons end with a number of the Blaster parents already involved in proceedings which bodes well for next season.

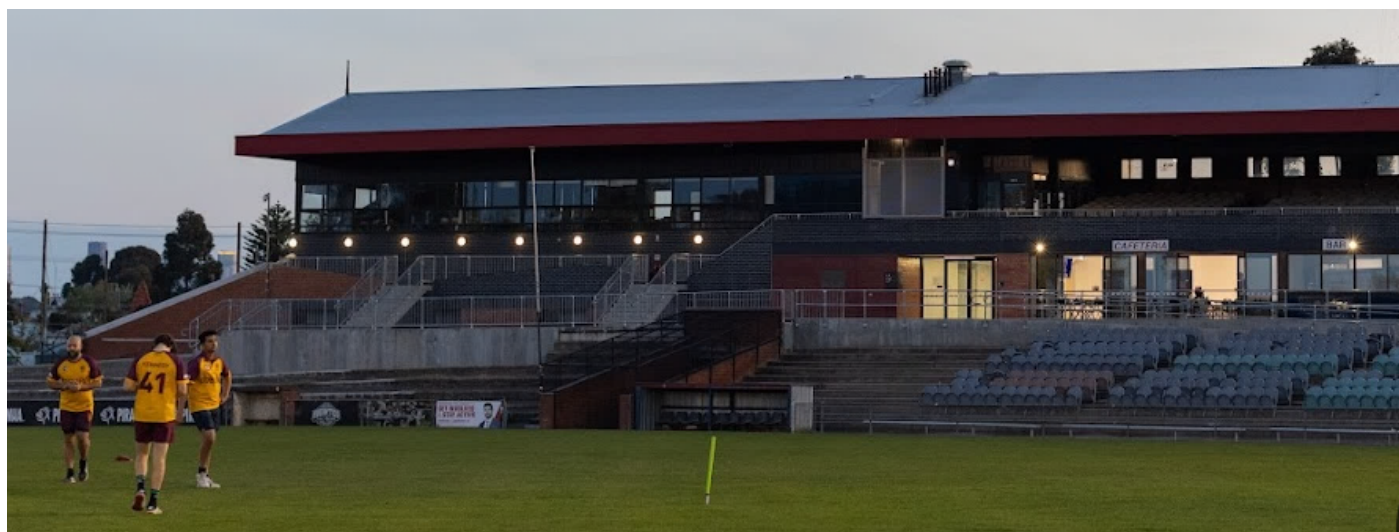

One other positive note which should be mentioned is the number of our juniors who have accepted the opportunity to experience turf cricket in our club seniors. This is great for both their cricket and personal development, and I can assure you, the opportunities will increase.

All in all, a very positive and enjoyable season for the juniors which was evidenced by the large crowd in attendance at their presentation day.

For now, enjoy your winter activities and I look forward to seeing you all back next season.

William Tucknott

Junior Co-ordinator.

J.G. Craig Shield Coaches Report

Over recent years we have seen a change in the preparation practices of a number of clubs in an attempt to get a perceived advantage over other programs by commencing as early as April. We however maintained our customary practice of commencing in August / September with the weather gods fortunately kind to us again resulting in us finally selecting the following players. Darcy Parker & Luke Cameron (co-captains) Lucas Bartoli, Prabhnoor Singh Boparai, Gabe Destito, Christian La Porta, Dihein Lokuarachchi, Aidan Lowe, Damon Lynch, Harper MacKay, Mitchell McKellar, Oliver Ryan, Angad Singh, Zac Wynd.

Round 1 – Ivanhoe

Our first game, under threatening clouds, saw us win the toss and bat first. After losing three early wickets Cameron (32*), Wynd (22) and Boparai (7*) stabilised the innings by batting quite well enabling us to get to 4-86 before the clouds really opened up with a solid storm washing the match out.

Round 2 – Kew

Back at home hoping for better weather we won the toss and bowled. In an absolute farce the umpires adopted the one-day legside wide rule which is not applicable to Craig Shield resulting in us being penalised 50 extras and Kew penalised 40. We restricted Kew to 7/168 with the wickets shared between, La Porta (2/27), Lowe (2/30) Lynch (2/22) & McKellar (1/9). In reply, we struggled with the bat with our innings being held together by Cameron (50), MacKay (19) Boparai (15) & Parker (12) the only players to contribute double figures resulting in us falling 8 runs short. A disappointing loss.

Round 3 – Preston

On another overcast day we batted first and struggled against a very steady and accurate bowling attack. At 3/16 we were in a little trouble, but Singh (19) and Cameron (38) steadied the innings allowing us to eventually score a modest 112, but again failing to bat out our full number of overs. In response Preston batted sensibly albeit cautiously with the obvious intent of a measured run chase and at 6/88 were closing in on our total. When McKellar took the 7th wicket at 105 that left them requiring 8 runs with three wickets left – enter Cameron. His first two deliveries of his 3rd over conceded 5 runs which took the score to 108 and it was getting tight however his next three deliveries changed the course of the game with a catch to wicketkeeper Singh, a catch to point fielder Lokuarachchi, and then another catch to wicketkeeper Singh to close out the game with a hat-trick, winning by 4 runs. An incredible finale to win the game with the joyous reaction of the players and parents a sight to behold. Whilst Cameron stole the show with his hat-trick others who bowled well were Lowe (3/27) Ryan (2/18) McKellar (1/6).

Round 4 – St Bernard's OC

A sunny day for a change saw us bowl first with wickets falling at regular intervals, with a much improved bowling performance. With the exception of Portelli (51*) their batting struggles against our attack with the wickets evenly shared between 6 bowlers. It is often said that small totals can be difficult depending on the mental approach of the batters and this was a classic case in hand. After a solid start between Wynd (17), Boparai (11), & Singh (7) the score was 3/44 however after this we batted with a distinct lack of discipline to disappointingly fall short by 11 runs. A very poor batting performance.

Round 5 – Brunswick

Bowling first on a sunny day we restricted the strong Brunswick team to 8/152 with some good bowling and fielding with McKellar (2/17), Boparai (2/24) the best of the bowlers. At 2/99 we were well set to cause an upset however other than Boparai (65) and Singh (24) the batting again succumbed to some accurate bowling and we were dismissed for 139. Again, what might have been.

Round 6 – Plenty valley

Batting first on an overcast day we changed things around, opening with Coburg boys, La Porta (15) and Boparai (7). It was a slow start as we steadily accumulated runs until captains Parker (40) and Cameron (52*) came together and they accelerated the runs putting on just short of an 80 run partnership. Some lusty hitting from Lynch (13*) enabled us to finish with a satisfactory score of 7/156. For the first time in this series our bowling was of a high quality which was illustrated by the mode of dismissals, eg. lbw x 4, bowled x 3, slip catch x1. Due to this we were able to restrict them to 74 with the best of the bowlers being Lynch bowling a great line (6/7), & Destito (2/10). A solid win.

Round 7 - Strathmore

Our last game was against Strathmore however we were out of finals contention. We bowled first with a mixed bag, some instances of excellent bowling and fielding mixed with some lacklustre efforts with the highlight being a wonderful athletic outfield catch by Bartoli. We eventually dismissed them for 146. A reasonable score if we applied ourselves, however that was not to be. At 5/10 we displayed a disappointing lack of application with a real chance of us being dismissed very cheaply however Wynd (27) and MacKay (34) batted really sensibly and well together and showed their teammates how to apply themselves. They did so during a period of extreme on-field pressure when the Strathmore players' display of sportsmanship was less than expected.

A disappointing conclusion to a difficult series with so many close losses exemplifying a series of "what if" but hopefully all the players took something positive out of their experiences.

Congratulations to Luke Cameron who performed consistently well to win the Best player and Batting awards whilst taking a match winning hat-trick. A great effort.

I would like to thank Damian Bonner, Peter & Blake Karvelis, and Warren Parker for all their input into the team which helped make the experience an educational but also a fun experience, not just for the boys, but us adults as well.

William Tucknott
Coburg Craig Shield Coach
